Will The Oil Geologist Save Our Necks?

THESE DAYS By John Chamberlain

The foreign minister of to get control of the Arab oil be free of Arab blackmail if it as it would never work out. It's up to him to tell his wife blocks pays a personal call on fitting of shoes and proper the control of the Arab oil be free of Arab blackmail. Ruritania, who always takes the fields all the way from Libya it would only get busy about I've asked a few friends and to get on the stick and do some the waitresses wear some of long view even at the risk of to the Persian Gulf. When and exploiting its twenty-billion - they agree with my husband. ironing. being misbranded as a cynic, if this happens, they will tell barrel Alaskan North Slope find. A couple of people have said Western Europe what to do if

"that the background page in your Sunday newspaper will winter without freezing. superpowers really wants a nuclear confrontation, and (c) that the Russians are rather most recent news about oil

"Of course, the hard news that comes with Monday made a big strike off the morning's paper invariably Norwegian coast. There is a Appropriate Names smears custard pie over the third potentially big entry in COLUMBINE VALLEY, Colo. faces of the Sunday think-piece artists. The story of the 100Tenneco company has found oil of Denver is built in and around the North Sea oil stakes: the Tenneco company has found oil of Denver is built in and around too much time on your hands, an absorbing hobby.

The latest communique from Arab oil, just as the U. S. could Lane, Wedge Way, Niblick Lane. the diplomatic front in Washington speculates about the even to Syria, and there is the further disclosure that that the U. S. is really sending Phantom and electronic radarjamming gear to Israel.

"As for the feeling that there is a permanent cool-off in east central Europe that favors Willy Brandt, it must somehow be accommodated to the news that Yugoslavia and Red China have saddenly become cozy, an obvious indication that Tito and Mao are huddling together for warmth precisely because they fear Brezhnev means business \$\display 95\$ about telling other socialist & K 62 countries what to do.

"HOWEVER," said foreign minister of Ruritania with an impish look in his eye, "I now find myself feeling that the optimistic think-piece. writers have something going for them. They don't realize why they might very possibly turn out to be right, and I wouldn't even given them a low D for their ability to link cause and effect. But it could be that the foreign policy line which the Soviets have been following for years is about to be struck a mortal blow from a totally unsuspected source.

"Years ago," the foreign minister continued, "I listened to your Whittaker Chambers, who predicted that all Soviet moves of the Fifties and Sixties would be predicated on the necessity of closing in on Europe from the Mediterranean South. Chambers kept pointing to Suez, to the oil fields of the Arabian and Algeria and Morocco. And, of course, he was 100 per cent correct in his fears. The Russians have kept the U.S. off balance by forcing it to stay in South Vietnam. Meanwhile they have been putting the squeeze on Israel. Eventually they expect
